POWER OUTLET RELOCATOR AS-PWRLODBL

Mounting your new Flat Panel Display on the wall? Do you want your power and video interconnect cables to be out of sight? **The HELIOS AS-PWRLODBL kit is what you need!** Relocate your 110 Volt power connection from its usual low on the wall position to right behind the display. The HELIOS AS-PWRLODBL also has placement for your Video, Coax and control cables. We recommend that this kit be used with Wall Mount TV brackets. This Kit includes all of the parts and tools that you will need for proper installation.
